

Debo was trained in basic obedience in the Oakland County Teacher's Pet program by a resident of Children's Village.

Dear adopters of wonderful Debo,

The first thing you need to know about him is that he is a lover not a fighter. He's a fighter with love. As you welcome Debo into your home know that he is a cuddle buddy. Debo doesn't need a huge place although he is a big guy. Debo is sweet but don't let his size fool you, I have been laid on by Debo. Debo is 9 and a half but he has a lot left in him and a lot of love. When I first saw him I fell in love with him and although it was my job to train him and teach him he also taught me a lot. Debo taught me that it's okay to just lay down and be lazy and that no matter how old you are or how different you are you mean something to someone out there. Debo is very smart, he knows sit, focus and he struggles with lay but can be easy to catch on. He can hold his pee and he walks great on leash. I want you to know that Debo needs a lot of attention and love. If you're the type of family person that is not home a lot then you are probably not the best fit for him. He gives slobbery kisses and I love them. Debo needs a family that has a lot of patience, he is old but don't underestimate him, he's got a lot left to give to a loving and cozy family. If you have other animals Debo does well with them. Love, love, love and please take care of him. Don't give up on him like the other family did. If you can't handle the responsibility of him then let another take care of him. Congratulations with your new found companion. Give him kisses for me.

A Note From Teacher's Pet:

You adopted Debo! PLEASE let us know how he's doing!!!

It means a lot to the kids to get an update on the dogs they have cared for and worked so hard with. They always ask how the dogs are doing in their new home. It would be great to give them some positive feedback. Thank You!

Thank you so much for choosing adoption to find your new furry family member! If you have any training questions please contact us at our e-mail below. We already know Debo well and would be happy to help. All our best!!!
