

Grace was trained in basic obedience in the Oakland County Teacher's Pet program by a resident of Children's Village.

Dear New Family,

Grace is a wonderful dog. She is a dog who loves meeting new people. She has come a long way. Grace was in Detroit tied up to a tree in a back yard with puppies not yet born. When I first met her she was so excited and playful. As the weeks went past she didn't know how to sit and we got her to sit and lay down. Grace is a very loving, playful and alert dog and should go to a hard working, very alert family. And just a warning, she loves squirrels.

Sincerely,

M (Grace's Trainer)

A Note From Teacher's Pet:

You adopted Grace! PLEASE let us know how she's doing!!!

It means a lot to the kids to get an update on the dogs they have cared for and worked so hard with. They always ask how the dogs are doing in their new home. It would be great to give them some positive feedback.

Thank You!

Thank you so much for choosing adoption to find your new furry family member! If you have any training questions please contact us at our e-mail below. We already know Grace well and would be happy to help. All our best!!!
